1	2 (Currently Amended). The combination of Claim 1 wherein
2	said further included pipe is centered about each of said
3	surrounded plurality of exhaust pipe segments and surrounded
1	nlurality of header nine segments

- 3 (Currently Amended). The combination of Claim 2 wherein said exhaust pipe segments are of a substantially 3" outer diameter and said further included pipe is of a substantially 4" inner diameter.
- 4 (Currently Amended). The combination of Claim 2 wherein said header pipe segments are of a substantially 2" outer diameter and said further included pipe is of a substantially 2-1/2" inner diameter.
 - 5 (Canceled).
 - 6. (Canceled).
 - 7. (Canceled).
- 8 (Currently Amended). The combination of Claim 5 2, further including a steel wool wrapping around individual ones of said surrounded exhaust pipe segments and surrounded header pipe segments, about the individual apertures thereof.

9 (Currently Amended). The combination of Claim $\frac{5}{2}$, 1 further including a steel wool wrapping around each of said 2 surrounded exhaust pipe segments and surrounded header pipe 3 segments, about the individual apertures thereof. 10. (Canceled). 11. (Canceled). 12. (Canceled). 13. (Canceled). 14. (Canceled). 15. (Canceled). 16. (Canceled). 17. (Canceled). 18. (Canceled). 19. (Canceled). 20. (Canceled).

21. (Currently Amended). The combination of Claim $\frac{5}{2}$ wherein said plurality of apertures are spaced apart from one another both horizontally and vertically along their respective lengths.

22. (Canceled).
